Haryana Pashu Vigyan Kendra, Lala Lajpat Rai University of Veterinary and Animal Sciences, Uchani, Karnal

Email: dr.swati.ruhil@gmail.com

Dr. Swati Ruhil is the second Lady Veterinary Gynecologist in the state of Rajasthan. She did her graduation (2011) with certificate of merit and post-graduation with Gold Medal (2014) from Rajasthan University of Veterinary and Animal Sciences, Bikaner. She is working as Scientist at Haryana Pashu Vigyan Kendra, Lala Lajpat Rai University of Veterinary and Animal Sciences (LUVAS), Uchani, Karnal, Haryana since 2018. During the short time span of her career, she has gained recognition as large animal practitioner in Eastern Haryana. She has successfully handled various forms of dystocia, relieved uterine torsions, replaced prolapsed masses, performed many cesarean sections etc. in large animals. She has significantly contributed in small animal practice by providing emergency obstetrical services as well as infertility treatment. She has performed many ovario-hysterectomies and cesarean sections in canine as well as feline species.

She has published more than forty publications in international journals like Asian Pacific Journal of Reproduction etc., National journals and magazines. Presently, she is working as Principal Investigator and Co-Investigator in various institutional projects. She has delivered more than thirty training lectures in various Dairy Farmer Trainings and attended various clinical camps organised at various block as well as district levels.

- She has been felicitated by various organizations for her valuable contribution in Animal Welfare activities like provided consultancy to farmers about breeding management in farm animals, actively participated in infertility treatment camps etc.
- She has been awarded with appreciation certificate by worthy Vice-Chancellor, LUVAS on 15th August, 2020 for providing emergency services during COVID -19 pandemic, received appreciation certificate by Director and Vice-chancellor, ICAR-NDRI, 2021 to share expertise in treatment and management of cloned calves and recipient buffaloes. She has been felicitated by Inspiring Lady Veterinarian Award, 2021 by Pashudhan Praharee and honoured to find a place among 101 inspiring lady veterinarians of India in book titled “Prerna” published by Livestock Publications, 2021.
