Innovative Extension Approach

- RAJUVAS has taken innovative step to published e-Bulletin containing information related to recent advance in the field of Veterinary and animal husbandry, upcoming Job and fellowship programme for students. As Associate Convener, Public Relation Cell, I have published seven issue of RAJUVAS e-bulletin as co-editor.

- RAJUVAS has taken innovative step to start Pashu Vigyan Kenkra (PVK) in 16 districts of Rajasthan. Govt. has planned to start PVK in each district of Rajasthan for welfare of farming community. One innovative post doctoral (Ph.D) research work has conducted on impact of work done by these PVK under my supervision as Major Guide. Thesis work has been completed and submitted for approval. Research paper also has been send to reputed Journal of publication.
- RAJUVAS has taken innovative approach to dissolve farmers/livestock problems as earliest through Toll Free Help Line (1800-180-6224) running through Integrated Management University System (IUMS). On an average 400 call has received per day from all part of state and also from other states. One innovative master (M.V.Sc) research work has conducted on impact of work done by Toll Free Help Line under my supervision as Major Guide. Master thesis has received best Thesis award during third convocation of SVAHE organized at Pantnagar. Four research papers have been published in reputed Journal.
- Rajasthan has repository of native cattle breed including Rathi, Tharparker, Gir, Sahiwal, Malvi and Kankerj. I have published Magazine “Desi Govans: Rajasthan ki Drohar” as member editor board (in Hindi)
- Innovate work has done with the awareness and motivation of school children (10 to 12th standards) about significance and importance of veterinary and Animal Husbandry Education in society as well as carrier point of view through personal interaction and at school level and distribution of leaflets among them.
- For dissemination of latest technology, innovation and different information of RAJUVAS, I have written and send and published more than 100 news in different news paper as Associate Convener of Public Relation Cell, RAJUVAS, Bikaner.
- Established Extension Lab first time at ACVM, Jaipur and CVAS, Navaina Vallabhagar, Udaipur as Assistant Professor because of new establishment of both colleges.
